6) VILLAGE

a) Fencing repairs have been completed and now need painting when the weather improves. Grass cutting has started as, due to the bad weather last year, a final cut was not possible. Mole numbers have slowed although a few are still being caught. A lot of dead wood has fallen from the walnut tree and a proper survey on it may be needed, (this maybe GWD's responsibility) and Cllr Thompson will follow up on this. It is also worth noting that the cherry tree planted next to the bench does not look healthy and may need to be replaced as growth is only coming from the base.

b) There were no further comments with regards to work carried out since the last meeting.
