

# Hutton le Hole Village Maintenance Survey Results

November 2024

A Big Thank You to everyone who responded with their thoughts on the priorities regarding ongoing Hutton le Hole Village Maintenance. There were 36 responses from residents to this survey with a range of opinions and suggestions.

## EXECUTIVE SUMMARY

### Maintenance

Priorities / Views	No. of responses
Grass cutting	22
Birdmouth Fences	14
Village to look tidy and well-kept	10
More Traffic calming	4
Bins and Litter	4
Beck & Ditch Clearing	3
Path and Verge maintenance	3
NO to mole trapping	3

**Top 3 Priorities**

The responses reflect a focus on improving grass cutting and fencing and Village aesthetics, with additional interest in traffic calming. Respondents are generally open to funding increases if they lead to better-maintained, attractive public spaces.

### Sheep

Want Sheep in the Village?	No. of responses
Yes	13
Yes with conditions	16
No	7

- **Yes (29 responses):** Support was largely conditional with traffic calming, droppings management, and careful selection of sheep breed being key factors to mitigate such things as damage to vehicles.
- **No (7 responses):** Opposition centred on concerns about traffic safety, potential damage to cars and property, and the impact of droppings on public spaces.

This breakdown provides a clear picture of the respondent's preferences and concerns, with most in favour if practical issues are addressed.
